

Will you pray for Ripple Effect?

**RIPPLE
EFFECT**

It starts on an African farm

Thomas, Selena and family, Kenya

“After being trained, we loved it and started to implement the techniques straight away... We have seen the benefit of Ripple Effect in just a short time and we are already receiving a balanced diet.” Thomas, Kenya

Patron Bishop Ruth Worsley has written a prayer to share with our Ripple Effect family, to encourage us all to pray together for this vital work.

Please place this card in a prominent place so that you will be regularly reminded to pray.

Thank you for being part of a wave of change across rural Africa.

A prayer for Ripple Effect

Creator God, we thank you for the world you have made and entrusted to our care. Forgive us that we take so much for granted and that our actions have often caused and exacerbated the current climate crisis. We are sorry that we have neglected our part in working with you to tend and nurture all you have given us.

We pray for those most affected by environmental change. We particularly hold in our prayers those sisters and brothers who have had to adapt their farming practices to accommodate the climate challenges they face. We remember each one of the farmers we work with who have developed new skills and expertise in a changing environment. Thank you for their enthusiasm and desire to share their knowledge with others.

Lucy, Ripple Effect farmer, Kenya

We pray for all those within our Ripple Effect team both here in the UK and abroad. As we embrace new ways of working together, we ask for hope to be renewed and resilience for the journey ahead.

And Lord as we pray together with all those who share your passion for our world and the work of Ripple Effect, may we know the ripples of your grace and love extending to each one of us, as we seek to live in faith, joy and hope for all you long to give us.

Amen
